# André Vaz

## Junior Full-Stack Web Developer

I'm a recent graduate in Full Stack Web Development, well-versed in HTML, CSS, Bootstrap, JavaScript, PHP, MySQL, and familiar with Java. My hands-on experience includes Git and GitHub for version control, where I've grasped the importance of efficient code management, including a solid understanding of MVC architecture.

I am consistently engaged in online courses to stay current with the latest web development trends. Looking forward to the opportunity to contribute, learn, and grow. I am enthusiastic about enhancing my skills and contributing to the success of your team.
